If your signature is replacing another person's signature on the system, please write that person's name below.

Send completed package to:

Methods, Inc.
8675 W. Fairway Drive
Baton Rouge, LA 70809

For emergency signature digitization only: Fax related signature printouts to (225) 928-3038
Please note: Faxing does not produce best quality signature graphics.

Please note:

The omission of any requested item can significantly slow your customization process. Therefore, we request that your return package be as complete as possible.

Please allow one (1) week for the creation of your signature/logo files after we receive this completed package and data.

Thank you.
